

Lulu's Boutique

Description:

Lulu's was created by two savvy sisters who love fashion. The sisters buy unique and trendy clothing from local fashionistas and showcase them in their very stylish boutiques. Lulu's supports local artists who design one-of-a-kind pieces, such as jewelry, clothing and purses. Lulu's also carries several new gift lines such as blue q totes and stickers, fluff cards and id cases, anne tainter magnets and many more.

The beauty of shopping at Lulu's is you never know what you'll find.
